

Adopt-A-Board Program

St. Matthew's Youth Ministry Program Needs to Repair its Deck!

Current State of the Deck...

Our P.O.D. (Place Of Development) is beginning to develop into just the place for our teens to reach for new knowledge, stretch their minds around new thinking, grow in their faith, and develop into stronger Catholics! The P.O.D. is not only helping them grow in their relationship with God, but how to build stronger relationships outside of the church: in their community, families, and the world.

We are beginning an Adopt-A-Board Program to help us continue to grow!

\$20.00 will adopt one board and the hardware needed to tie it into our existing deck frame work. One board may not seem like much, especially considering we need about 200 boards all together, but that one board brings us one step closer to a fully repaired and SAFE deck for picnics, study groups, pageants, and other programs to use for many years to come.

Thanks to the donated labor of 3 skilled craftsmen, we do not need to include labor in our costs! Your \$20 is truly going to the cost of the pressure-treated wood and sturdy hardware! Each adoption will also include a name plate, with a customized dedication, to be displayed on our P.O.D wall.

**If you are able to help us by adopting a board,
you will be helping the teens of our parish for years to come!**

(Please Detach at the Dotted Line and Submit to the Church Office)

Name of Adopter: _____

Number of boards being adopted: _____

Donation amount included: _____ cash check

Please choose one of the personalization options below. (Name plates may have a maximum of 75 characters including spaces. If more than 75 characters are desired, please include an additional \$5 in your donation for each additional name plate requested. Name plate contents subject to approval.)

Option 1: In memory of _____.

Option 2: Dedicated to _____.

Option 3: _____.
